Andy

Beth forwarded your message to me as I'm the EPA attorney assigned to the FMC site. I'm going to be in the best position to discuss legal matters and to try to answer any legal questions you might have, particularly as they may relate to potential redevelopment.

I am available to participate in a call on February 10 at both 11AM and 4PM PT, though the 4PM time slot is preferable as I have a meeting at 10 that may run long. If there is a particular reason for including Beth, let me know and I can check on her availability.

Thanks
Andy
